

Starting this month, your child will have grammar homework for Wednesdays. Please ensure your child is studying their spelling words everyday. In chapter 7 in math we are studying money and time. One way to reiterate skills learned at school is to have your child become a part of money transitions in stores as well as read the clock. One of the core skills of this concept is counting by 5's and 10's.

What are we learning?

Math:

- Chapter 7: Money & Time
- Chapter 8: Length in Customary Units
- Math Project Fridays. Students work in small groups to complete a cross-curricular math research project.

Being a Reader:

- Review Suffix -ing
- Review Suffix -ed
- Consonant l-e
- Suffix -er, -est
- Alphabetizing
- Using a Dictionary

Being a Writer:

We are beginning Unit 4 in writing, a nonfiction unit. Students will write questions, facts, functional nonfiction, and expository nonfiction.

Making Meaning:

We will continue Unit 4 on inferences. We will then begin unit 5 on Wondering. The students will use wondering to understand fiction. They consider the points of view of different characters and discuss a story's message.

Social Studies/ Science:

Science – Weather

Social Studies – Native American Project

To view our class pictures please use the link to the drive. You may also add photos to the drive as well.
