

MSPCS Elementary Summer Camps

We are happy to announce that we are working with the availability at the church, outside vendors and our PE teacher to provide summer camps. We know that last year, was the first year the elementary school provided camps and want to see if we are able to provide a few clubs for the summer. We do need a minimum of 10 students per class to make them happen. Should we not have that, you will be notified the last day of school – via email.

ALL STUDENTS MUST BRING A LUNCH IF THEY ARE TAKING BOTH AN AM AND PM SESSION.

Time: 8:00 - 8:30 – Arrive at school – games will be available for students to play, or they may bring their own breakfast and will be able to sit at the tables.

8:30 – 11:30 AM session

11:30 – 12:00 Lunch for those who also have a PM session

12:00 – 3:00 PM session

Fees:

Full payment is required to register (signature to charge FACTS account)

Fees should be charged to FACTS account after session has been confirmed

ALL FEES ARE NON-REFUNDABLE AND NON-TRANSFERABLE

Each session is Monday – Thursday and costs \$180 per session.

Register by May 24th

Program Menu

PE Camp – in these week long summer clubs, students will be doing various PE activities such as Flag Football, Soccer, and other sports. They will also be doing Team Building Activities and games.

Chess Camp – this is the same person who did the demo in the lunchroom for the students (you can ask them about it). They will be learning various chess strategies and how to play, or improve their chess skills if they already know how to play. They incorporate a lot of fun and games into chess. The instructor is taking students of all ages.

Paint with Faith – students will be painting and learning more about painting. Students will have canvases to work on and they will learn various techniques while they are creating their masterpiece. All supplies are included in the cost – an apron will be provided.

The following are provided through Snapology. What is Snapology? Students interact and learn with and through the use of LEGO's. Their mission is to provide children an opportunity to engage in "playful Learning" activities that will stimulate their creativity and spark an interest in learning while engaging them. Engaging them not simply in interacting with materials, but in designing, creating, and inventing with them.

Snapology Castles, Kingdoms & Wizards – enter the magical world of Snapology! Have fun with dragons, crowns, knights and swords. Create your own castle using LEGO bricks and much, much more. Let the magic begin!

Snapology Superheroes – to the Batcave! Design your own superhero using LEGO bricks, create your own adventure and comic strip. Have a blast as you create your own fantasy world of superheroes. What kind of super powers do you have?

Snapology Adventures with Star Wars – come participate in Star Wars themed activities using LEGO bricks and other interactive learning tools, build scenes from the movie, build ships, lightsabers, you name it..."May the force be with you."

Snapology Ninjas – design a new dojo for Snapology made from LEGO bricks and train your men to battle with the best. Go through ninja training and earn your black belt, Snapology-style. Get ready to have fun and become a Master Ninja

Snapology Minecraft – travel to the Nether with Snapology, but watch out for those creepers! Come join us as we bring Minecraft to life using LEGO bricks. Create your own world, including animals, creepers, and your very own Minecraft character.

Grade levels are the grade they will go into for the 2019-2020 school year.

We will need a minimum of *10 students* for each session. Should we not reach that number, you will be contacted, on or by the last day of school, so you have the option of making another choice. If you choose not to make another choice, your FACTS account will not be charged. As we are working with outside vendors, we are not able to move students around from one session to another after they have registered. Please check dates and topics carefully.
